THERE IS A REASON

Why it pays to advertise in the **SEMI-WEEKLY BEE**:

It reaches a large number of wage earners who take no other paper.

It has an almost exclusive circulation in a community where \$20,000.00 in money is paid out each month.

It is read by hundreds of people who buy what they want and who have money to pay for what they buy.

The only way to get your advertisement before the people of Harrison, Morgans Gap, St. Charles and immediate vicinity is through the medium of the Harrison Bee. A hint to the wise is sufficient.

CHARACTER requires a still air. We seldom find any great height and sweetness of character in an anxious-minded person, for the simple reason that it has no chance to grow: all the forces go in other directions.

—Y. T. Munger.

A few accidents caused by worn out rails may give a convincing reason for an increase in freight rates.

There is always something doing in Harrison, and if the people would take the trouble to call this office and mention the fact when anything in a social line takes place at their home, we would certainly appreciate it. The NEWS is what we want and it makes no difference at whose home it takes place, we want it. One news item is as important as another. We want everything that happens, no matter how small the crowd nor how humble the home. We want the Harrison news and the only way we can get it is for you to tell us about it. If anyone is visiting you or if one of your friends are going away, it only takes a moment to call up 47, and there is someone always ready and willing to answer the phone and

Cardui is advertised and sold by its loving friends. The lady who advised Mrs. Mirse to take Cardui, had herself been cured of serious female trouble, by Cardui, so she knew what Cardui would do.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever, also cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

JUST IN TIME

Some Harrison People May Wait Till It's Too Late.

Don't wait until it's too late. Be sure to be in time. Just in time with kidney pills. Means curing the back. Before backache becomes chronic. Before serious urinary trouble sets in.

Doan's Kidney Pills will do this. Here is testimony to prove it. L. R. Woolfolk, 427 South Main St., Madisonville, Ky., says: "I can recommend Doan's Kidney Pills as a most reliable remedy for the kidneys. I have tested them thoroughly during the past two years and they have lived up to the claims made for them. I had severe attacks of backache and often when I sat down for a short time, I could hardly arise on account of the pains through my kidneys. There were other symptoms of kidney trouble, in evidence and I was induced to try Doan's Kidney Pills through reading the statement of parties I knew, who claimed to have received good results from their use. Doan's Kidney Pills gave me relief from the first and soon cured me. Since then, whenever I have felt any recurrence of my former trouble, I have used Doan's Kidney Pills and they have never failed to ward off any serious attack."

FARMERS

Remember The Loose Floor Sale
Will begin November 15, and if you don't get a good price for your tobacco it will be your fault.

We have the competition which makes a good market. You know you can't have a good market without competition. I know some of the buyers will tell you that it costs too much to sell on the

LOOSE FLOOR!

Now, neighbors, you may not know it, but if you sell to that buyer you are sure to lose him a GREAT BIG COMMISSION on your tobacco. You will never know how much, but remember he is not out for his health. When you sell on the LOOSE FLOOR you know exactly what it costs you. You pay 10 cents per 100 pounds or 2 1/2 per cent. In other words you get 97 1/2 cents on the dollar and give me 2 1/2 cents and 10 cents per 100 pounds, which is as cheap as any man can work for and give you business service. And another point you should consider is that when you sell on the Loose Floor you get what your tobacco sells for with

NO DOCK!

You get pay for just what your tobacco weighs at the price it sells for, which is not always the case when you sell at your barn. And another buyer will ride for miles through the rain and mud to buy your tobacco and tell you that the Loose Floor has about quit business, and they are just giving the tobacco away up at Blank's Factory. He will tell you that he will pay you more for your tobacco at the barn than he can buy the same tobacco for on the Loose Floor.

Now, farmers, are you going to be deceived by a man like that? Common sense teaches us that if these men could buy tobacco cheaper on the Loose Floor than at the barn that every one of them would put their horses in the stable and go to the Loose Floor and buy their entire purchase.

We are now enlarging our floor space and will be ready in due time. We will be prepared to handle about 100,000 pounds daily. If you want to get the best price for your tobacco sell it on the open market. I will appreciate your patronage and guarantee a

SQUARE DEAL!

Yours For Business.

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

AD-TALK

What would you think of a salesman who reported for duty one day, lay off for two, worked a half day, went off for a week and so on without any regularity? Surely you would not expect good service from such a man. And yet some merchants hold advertising, which is simply a "salesman," up to great results when it is allowed to "work" very irregularly.

The fact that advertising costs money is proof of its value. Things without cost are usually worth only their price.

Jury Awards Damages.

Hopkinsville, Ky., Nov. 2.—A novel damage suit against the Louisville & Nashville railroad was decided in the Christian Circuit Court today when the jury awarded the administrator of James Reeves \$2,000, the full amount prayed for. Reeves was killed by a train while intoxicated. The attorney for the plaintiff admitted that the victim was a trespasser on the railroad and that he lay down in front of the locomotive. They allege, however, that a man who saw Reeves' danger had waved a red flag on track and that the engineer should have heeded his warning in time to prevent the accident. The case will be taken to the Court of Appeals.

The Lilies.

Two thousand years ago it was supposed that water lilies closed their flowers at night and retreated far under water, to emerge again at sunrise. This was Pliny's view, and it was not incorrect until the English tourist John Ray in 1688 first doubted its veracity. The great Lily of Zanzibar, one of the grandest of the lily family, opens its flowers, ten inches wide, between 11 in the morning and 5 in the afternoon. They are of the richest royal blue, with from 150 to 200 golden stamens in the center, and they remain open four or five days. It is not generally known that there are lilies that have nocturnal habits—night bloomers as well as day bloomers. They are very punctual timekeepers, too, opening and closing with commendable regularity.

Bunyan's Wicket Gate.

In the village of Elbow there is abundant material that is visibly associated with John Bunyan. The isolated church tower contains the very bolts in the ringing of which Bunyan rejoiced and afterward trembled. Above all there must be mentioned the wicket gate which figures early in the story of "Pilgrim's Progress." The wicket gate of "Pilgrim's Progress" is commonly represented as a garden gate or a turnpike gate, but really the term denotes a small doorway cut out of a large door. Concealed behind a tree at the west end of Elbow church is just such a small doorway in the broad wooden surface of the great door. Through this lowly opening Bunyan must often have passed when a boy.—Harper's Weekly.

The Major's Value.

"Major Binks," said a veteran, "was a pompous chap. The boys had a good deal of fun once over his exchange. 'It seems that on a very dark night a stalwart Confederate took the major prisoner. This fact, together with the narrative of the prisoner's return to camp, was signaled to headquarters tersely. 'Major Binks, captured during night march, exchanged later for two nice tobacco.'"

A FEW FACTS

ABOUT

ALLEGRETTI CANDY

THIS Candy is strictly hand made, being rolled by hand and dipped into a very fine grade of chocolate. The process of dipping by hand does away with the mold used by most manufacturers.

You will note that the chocolate covering is very heavy. This protects the candy against age and at the same time lends a very delightful flavor.

And last, we guarantee fresh stock, having it shipped about every ten days by express. Allegretti Candy is made for those who discriminate.

"Nancy" to be played here November 9.

Daisy Cameron's vaudeville engagements over the Wm. Morris circuit were such a success that that gentleman has made a tremendous offer for this petite little artist to return to them, but the success of her new comedy "Nancy" has been such that she will undoubtedly be seen in this clever play for at least another year.

During the action of the play Miss Cameron will present her great character songs which won such favor on the metropolitan vaudeville stage, including the Dago "Mariutich," "Help, Whose Baby Girl are You," "If the Wind Had Only Blown the other Way," "I Wonder if That Fanny Little Boy Loves Me," "If Every Girl was a Girl Like You," "Adam and Eve," "How She Gets Away with It Is More Than I can See," "Modern Love," "Doctor Cure My Pain," and "Little Dollie Dimples." All of these records can be heard on the Edison Phonograph and records are for sale at all supply houses.

Miss Cameron and her delightful comedy "Nancy" will be at the Temple Theatre for one night, November 9.
